## MODERN URBAN DESIGN

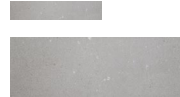

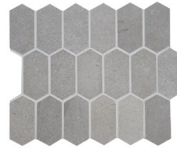

The three words behind the **MUD** acronym perfectly represent this company established in 2002. Fully designed in Montreal by founder and creative director, Catherine Braconnier, Mudtile products stand out by their sleek and timeless style. **MUD** mosaics are composed of a variety of natural stones in different finishes and textures, cut into geometric shapes and arranged in refined and clean patterns. **MUD** blends with any decor; traditional, contemporary or even retro.

## IMPORTANT NOTES

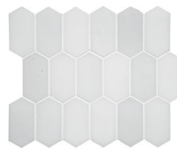

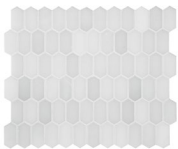

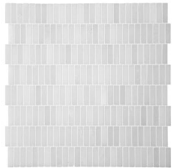

Installation should be performed with a rapid-set mortar such as Mapei Granirapid. For installing white and light-colored mosaics, use white Granirapid. Grouting should be performed using a matching color unsanded grout such as Mapei Keracolor U. Daily maintenance can be performed with a neutral detergent, the use of abrasive cleaners is not recommended.

**NATURAL STONE IS A PRODUCT SUBJECT TO IMPORTANT VARIATIONS IN COLOUR, SHADE AND TEXTURE.**
